A TRIBUTE

The real history of the church of St. Clement
Is written in letters of gold
But the practical side of the story
Is interesting too to behold.

The years have been busy and fruitful,
New buildings continue to rise
As Heaven bestows benediction,
Approving each new enterprise.

This monument to faith is heart-warming,
Its welcoming light casts a glow
As from sun-up to noon the procession
Wends its worshipful way to and fro.

How encouraged must be the Good Shepherd,
How triumphant this Jubilee Day,
As He whispers "well done" to our Pastor
For leading the faithful His way.

—*Catherine Murray Trousil.*
