# *Eighth Sunday in Ordinary Time*

## *February 27, 2022*

*"...remove the wooden beam from your eye first; then you will see clearly to remove the splinter in your brother's eye."*

Luke 6: 39-45

Often the "splinter" in our own "eye" is our indifference and passivity to the pain and hurt suffered by those around us. Too many people speak and act without contemplating how their words and behavior affect others. Or, if they do think about what they say and do, they don't realize that they are motivated by selfish pursuits and interests rather than seeking to assist others by lovingly serving them. Faith in action takes consciousness on our part. We must be aware of how God has blessed us. Then we must use those blessings to edify and build up others so they can realize the love which God has for them. Yet, so often, we act and speak out in foolish ways, rather than wisely looking to where our heart is and correcting any errors in our approach to living out our faith. Jesus challenges all who would be His followers to dare to remove from our own eyes the "wooden beam" of self-centeredness that prevents us from seeing the obstacles we lay in the road to the Kingdom of God.
