# Thirty-third Sunday in Ordinary Time

## November 13, 2022

"The days will come when there will not be left a stone upon another stone that will not be thrown down..." "I myself shall give you a wisdom in speaking that all our adversaries will be powerless to resist or refute." Luke 21: 5-19

Today's Gospel challenges us to consider what drives us, what things we risk our lives for. In the end, what will be found that will define our lives? In His Christ, God calls us to seek much more precious and lasting gifts than this world is capable of offering - treasures like compassion, reconciliation, justice and peace. What is required first, however, is to give up the attitudes and avarices that make possessing the things of God impossible. May our eyes remain open to and our spirits always be aware of the true treasures of this life that are ours for the asking, if we are wise and generous enough to let go of mere things to reach for them. Jesus calls us not to be obsessed with the "stones" that will one day collapse and become dust, but to seek instead the lasting things of the soul - the things of God.

The faithful around the world are encouraged to develop their own way of commemorating the day and honoring cloistered women and men religious in special ways, such as by offering up their prayers, by making visits to monasteries and cloistered convents, by sending cards or letters to contemplative religious, and by coordinating school or catechetical activities. Northwest Illinois Division Day of Catholic Giving

**SAVE THE DATE!**  
**TUESDAY**  
**NOVEMBER 29**

As we celebrate our 100th year anniversary as a Catholic parish, it is a time for reflection and gratitude for the sacrifices made throughout the past years to beautify, enhance and maintain our church property. We continue to be blessed with generous parishioners who support the daily needs of the parish, as well as our special projects.

Here at St. Clement Parish, we use music to enhance our Mass and liturgies. It helps us to express our joy in the Lord. A major instrument we use as accompaniment is the church organ. The organ was silent during the pandemic, as singing was discouraged. As we come out of that time, it has become apparent that the organ needs some repairs. **Please help during this year's Giving Catholic campaign to raise the money to repair and upgrade our organ so we and many future generations can continue to enjoy the music of the Mass.** Your donation on Giving Tuesday is more important than ever. Our goal is to raise \$25,000 to cover this project.

Here is an update on projects from the pandemic years: We continue to work towards completing the lighting and landscape projects. The funds we collected for those projects are set aside and available for those projects. We have been focused on our 100 year celebrations and will return to these projects very soon.

**Please support us with your donation on Tuesday, November 29th**, by going to [www.wegivecatholic.org](http://www.wegivecatholic.org), search for St. Clement Parish, then click "Donate Now," or check our parish website: [www.stclementlakewood.com](http://www.stclementlakewood.com) for the link that will take you directly to our #WeGIVECatholic page.
