Dear Parishioners,

In the original dedication booklet, Msgr. Schmit wrote a word of thanks to all those who had worked so hard and sacrificed so much to establish St. Clement parish. Then he said this to us:

*"Let those who inherited and will continue to inherit the results of that noble work hold the memory of their zealous forbears in benediction, and thank God for the privilege of continuing such a splendid work for the honor and glory of God."*

And so it is that on this day, April 27, 1997, we humbly embrace our history and all those men and women who have gone before us marked with the sign of Faith.

As you walk through the quiet of our church, you can feel the solemnity, mystery, and majesty of St. Clement parish. The masterfully built oak pews, lined up like soldiers at attention, are filled with strength and tenderness, joys and sorrows, dreams fulfilled and tears wiped away. So many people over the past 75 years have gathered together as a believing, worshipping community to touch the presence of God. Indeed, we hold their memory in gracious benediction.

It is only fitting on this anniversary day to look to the future and to thank God for the privilege of continuing the work begun so long ago. The continuing success of the Restoration and Development Campaign will see to the immediate needs of our buildings, but what we really have to hand on to others is our Faith, our commitment to Jesus Christ. To do this is indeed a privilege!

With my prayers and best wishes, I am

Sincerely yours in Christ,

Rev. Alfred H. Winters, Pastor
