### GOSPEL MEDITATION CHANGED BY THE EUCHARIST

*Jesus said to the crowds: "I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world." John 6:51*

It must have been somewhat shocking to the people who heard Jesus say this for the first time. Immediately after Jesus said this, we read that "The Jews quarreled among themselves, saying, 'How can this man give us his flesh to eat?'" Jesus addressed their confusion even more directly by saying, "Amen, amen, I say to

unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you." Those who were confused must have become even more confused, and those who believed must have deepened their faith as they heard Jesus teach so clearly and profoundly. Of course, Jesus was speaking about the Eucharist. The Eucharist is truly His Body and Blood, Soul and Divinity. We know that. We believe it. But from time to time, it is a helpful spiritual practice to revisit our Lord's very direct and definitive teaching. On the deepest level, the Eucharist will always remain a profound mystery of faith. How can we eat His flesh and drink His blood? To someone without faith and without a basic understanding of the Eucharist, this teaching seems shocking and unbelievable. In fact, it's easy to understand how some of the first hearers of this teaching quarreled among themselves in confusion. For that reason, we must listen to Jesus' words with the spiritual gift of understanding so that we are not among those who are confused. Understanding is a gift of the Holy Spirit that opens our minds to the deep spiritual truths Jesus is revealing. If we attempt to listen to this teaching using our human reason alone, we will never understand. When you consider Jesus' teaching on the Holy Eucharist, what do you understand and believe? Especially consider what goes through your mind when you attend the Holy Mass and go forward to receive Communion. What normally takes place within you at that moment? Some come forward distracted or even disinterested, paying more attention to the others around them than to the Eucharist. Others simply go forward out of habit because that's what they have always done. Some see the Eucharist more as a symbol of our sharing in God's banquet. But some come forward with a deep spiritual hunger and thirst for God, receive Him in faith, love Him deeply as they consume Him, and are filled with hopeful anticipation that their reception of this holy gift will transform them interiorly and set them more firmly on the path to holiness. Which person are you most like? Believing in the Holy Eucharist and receiving it with the utmost faith and devotion will only happen when we believe. But believing doesn't come automatically. It first requires understanding. And understanding will only come when we allow our minds to engage the mystery and teaching of Jesus, ponder it, contemplate it, penetrate it and open ourselves to God's gentle and revealing voice. Words do not suffice to explain this mystery. Prayer that opens oneself to the voice of God alone suffices.

# St. Luke Happenings

## Testimony: St. Luke El Salvador Mission Trip

I attended the 2024 trip to El Salvador with St Luke without any expectations. I was new to Cleveland and a new parishioner at St Luke, I was honestly looking to connect with other parishioners while exploring a new country and helping those in need....and little did I know that the trip would make such a huge impact on me.

The trip to El Salvador was all about making connections with the families there, seeing how they live and hearing their stories. Their lives are much different than ours, but also so similar. They live a simple life that is full of love - they work and support each other from birth to death and as a family they have the strongest faith I've ever seen. They have an immense amount of joy for what they have and thank God for everything.

I can't wait to go back to El Salvador and I highly recommend others to experience it also - you will not be disappointed. The trip is so organized, very meaningful and affordable. The things you learn in El Salvador will never leave you....and you will want to share your experience with others too! Come join us! If you have any questions about any parts of the trip please reach out, I'd love to chat.

## The Great Wonder of Stained Glass

Stained glass windows truly hold an incredible amount of beauty, wonder, and awe; and in our Church they can help illuminate our minds and hearts to the great mysteries found in scripture and in sacred tradition.

One of the most intriguing windows that we have here at St. Luke is our Rose Window. At the heart of window is an image of a bird, or more specifically a pelican. This is an ancient symbol referring to Christ. Tradition says that the pelican, in time of need, would pluck from it's own flesh and blood to feed its young. So too is this mimicked through Our Lord's sacrifice on the cross. Encompassing the pelican are also stylized lily petals which is a another symbol of purity. This image in it's entirety calls us to now recollect that Christ, the *Holy, Spotless, and Immaculate Victim*, gave himself for the life of the word.
